Indonesian Driving License: SIM A (Valid & Active) • Clean Driving Record

PROFESSIONAL SUMMARY

Safety-conscious, dependable, and disciplined Professional Driver with verified experience chauffeuring executive institutional leadership during official duty trips (dinas luar) and managing field transportation logistics. Experienced in driving across regional highways, inter-city corridors, and Greater Jakarta routes with a valid Indonesian Driving License (SIM A) and an accident-free record. Proficient in defensive driving, daily mechanical vehicle inspections (fluids, brakes, tires), vehicle detailing, and secure delivery of official documents and supplies across 270+ educational institutions. Demonstrates good conversational English, high protocol awareness, and absolute discretion regarding official matters. Fully flexible, willing to relocate to Jakarta, and available for irregular operational schedules, early morning departures, evenings, and weekend assignments.

PROFESSIONAL EXPERIENCE

LP MA'ARIF NU CILACAP — *Cilacap, Central Java, Indonesia*

Institutional Operations & Official Executive Chauffeur — *2024 – Present*

- Entrusted as dedicated chauffeur for institutional executive leadership (Chairman H. Ali Sodiqin & Secretary Ngadino) during official external duty trips (dinas luar), leadership conferences, and inter-city travel with a zero-incident safety record.
- Manage operational road transport and secure distribution of official decrees, examination logistics, and supplies across an expansive network of 270+ madrasahs and schools.
- Execute rigorous daily pre-trip and post-trip vehicle safety inspections (engine oil, coolant, brake fluid, lights, battery, and tire pressure) and maintain immaculate vehicle cleanliness inside and out.
- Navigate regional highways, inter-provincial corridors, and urban routes utilizing real-time GPS navigation (Google Maps, Waze) to anticipate traffic conditions and guarantee timely arrivals.
- Uphold absolute discretion, professional protocol, and strict confidentiality regarding high-level leadership deliberations and official correspondence during transit.
- Maintain complete adherence to defensive driving techniques, passenger comfort standards, traffic safety laws, and emergency vehicle readiness.

EDUCATION

STAI AT-TAHDZIB — *East Java, Indonesia*

Bachelor of Laws (Sarjana Hukum - S.H.) — *Graduated 2019*

- Rigorous academic training in legal compliance, statutory ethics, institutional governance, and procedural integrity, reinforcing strict adherence to official protocols and confidentiality.
