Subject: Application for Embassy Driver Position

Dear Selection Committee,

I am writing to formally submit my application for the **Embassy Driver** position at the Embassy of the Republic of Chile in Jakarta, as advertised in your vacancy announcement. With a valid Indonesian Driving License (SIM A), a completely clean driving record, extensive practical driving experience, and fluent spoken English communication skills, I am enthusiastic about the opportunity to provide exceptional, safe, and dependable transportation services to the Embassy personnel and visiting dignitaries.

In my current role at LP Ma'arif NU Cilacap (2024 – Present), I am frequently entrusted to drive institutional vehicles for executive leadership (the Chairman and Secretary) during official external duty trips (*dinas luar*), inter-city journeys, and official institutional visits, as well as transporting logistics and educational supplies across 270+ madrasahs. I am confident that my qualifications directly address every key requirement of this position:

- **Safe & Defensive Driving Record:** I hold a valid SIM A with an accident-free record. I practice defensive driving habits, prioritizing smooth acceleration, passenger comfort, and strict adherence to traffic regulations, odd-even rules, and expressway navigation.
- **Daily Vehicle Maintenance & Cleanliness:** I perform systematic pre-trip inspections (fluid levels, tire pressure, brakes, lights, wipers) and maintain vehicles in spotless, pristine condition inside and out, preventing mechanical issues.
- **Official Courier & Supply Transportation:** Experienced in safely delivering official documents, institutional decrees, examination materials, and supplies across a large network of educational institutions with complete accountability.
- **Discretion & Confidentiality:** Holding a Bachelor of Laws (S.H.) degree and regularly driving executive leadership during official business, I strictly uphold confidentiality and diplomatic discretion regarding all official matters heard or handled in transit.
- **English Communication & Schedule Flexibility:** I communicate fluently and politely in spoken English with international visitors. I am fully prepared to work flexible hours, including early mornings, late evenings, and weekends according to official Embassy operational needs (compensated as time off).

In accordance with the application procedure, I have attached:

1. My updated Curriculum Vitae (CV) formatted to the Harvard Resume Guide standard
2. A copy of my valid Indonesian Driving License (SIM A)
3. A copy of my National Identity Card (KTP)
4. Contact details for my professional references (Chairman and Secretary of LP Ma'arif NU Cilacap)

I welcome the opportunity to attend an in-person interview and a practical driving assessment at your earliest convenience to demonstrate my road competence and commitment to serving the Embassy of Chile. Thank you very much for your time and consideration.

Sincerely,

Ahmad Ayub Nu'man
